Hi Marcella- The program folks transitioned to OGC on Sunday, so we now are the home of the National FOIA Office. Neil is the Acting Director and has come down from Region 2 for 120 days. While the reorganization is done on paper, we need to relocate the former-OEI employees over to this building and have space on the 5<sup>th</sup> floor where they will move in the upcoming weeks. That is the overview and Neil could furnish more details if we need more. Thanks, Kevin
